## TOWNSHIP OF ALGONQUIN HIGHLANDS

### Comprehensive Zoning By-law By-law No. 03-22

June 19, 2003  
Consolidated July 31, 2008

#### Section 1 ADMINISTRATION AND INTERPRETATION

- 1.1 **TITLE:** This by-law shall be known as the Zoning By-law of the Township of Algonquin Highlands.
- 1.2 **DECLARATION:** Schedules 1 to 16, 1A, 9A and 13A, contained herein, are declared to form part of this By-law.
- 1.3 **APPLICATION:** This By-law shall apply and be enforceable with respect to the whole of the Township of Algonquin Highlands. For the purposes of this By-law, the definitions and interpretations given herein shall govern unless the context requires otherwise.
- 1.4 **ADMINISTRATION:** This By-law shall be administered and enforced by any person, or persons, as may be appointed for such purpose by the Council of the Township from time to time.
- 1.5 **INTERPRETATION:** For the purposes of this By-law, words used in the present tense include the future; words used in the singular number include the plural and words in the plural include the singular number; the word "shall" is mandatory; the word "may" is permissive; the words "used" and "occupied" shall include the words "arranged" and "designed to be used or occupied".
- 1.6 **ZONE SYMBOLS:** The Zone Symbols used on the Schedules contained herein refer to the zone categories and the use of land, activities, buildings structures, and excavations permitted by this By-law.
- 1.7 **SPECIAL ZONE SYMBOLS:** Where the Zone Symbol designating certain lands is followed by a dash and a number, for example SR1-5, then special zone provisions in addition to the normal Zone Provisions apply to such lands. Such special provisions are found by reference to Section 5.3 "Exceptions to Zones". Lands designated in this manner shall be subject to all the restrictions of the Zone, except as otherwise provided by the special provisions.
- 1.8 **HOLDING PROVISIONS:** Notwithstanding any other provision in this By-law, where a Zone symbol is followed by the letter (H), no person shall use the land to which the letter (H) applies for any use other than the use which existed on the date this By-law was passed, until the (H) is removed in accordance with the policies of the Official Plan and the Planning Act, as amended.

- 1.9 **INTERPRETATION OF ZONE BOUNDARIES:** Unless otherwise shown, the extent and boundary of each zone delineated on the Schedules contained herein, shall be a lot line, street line, centerline of street, or boundary of a registered plan.

Where the extent and boundary of any zone is uncertain, the following provisions shall apply:

- where a zone boundary is indicated as passing through undeveloped land, the location of such boundary shall be determined by scaling the distance on the applicable map schedule;
- where a zone boundary is indicated as following the corporate limits of the Township, such limits shall be the zone boundary; and,
- where a zone boundary is indicated as following a shoreline, then such zone boundary shall follow the shoreline, and in the event of change in the location of the shoreline, the zone boundary shall be construed as moving with the actual shoreline.

- 1.10 **ZONING OF ISLANDS:** Islands without a specific zone symbol on the Schedules contained herein, shall be zoned Open Space.

- 1.11 **HEADINGS:** The headings of the Parts, Sections, Subsections and clauses of this By-law, including the Schedules contained herein, together with the illustrations, examples, and explanatory notes appearing at various places throughout this By-law, have been inserted as a matter of convenience, for reference only, and in no way define, limit or enlarge the scope or meaning of this By-law or any of its provisions.

- 1.12 **ROAD CLOSINGS:** In the event that a dedicated street or road delineated on the Schedules contained herein is closed, the property formerly within such street or road shall be included within the Zone of the adjoining property on either side of such closed street or road. Where a closed street or road is the boundary between two or more different Zones, the Zone boundary shall be the former centerline of the closed street or road.

## Section 2 COMPLIANCE WITH THE BY-LAW

- 2.1 **COMPLIANCE:** No land, building, structure, or excavation shall be used or occupied, and no land, building, structure, or excavation shall be erected or altered, in whole or in part, except in conformity and compliance with the provisions of this By-law. This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by the Federal or Provincial Government, or the County of Haliburton, having jurisdiction to impose such restrictions.
- 2.2 **REQUIREMENTS:** The provisions of this By-law shall be held to be the minimum requirement except where the word maximum is used, in which case the maximum requirement shall apply.
- 2.3 **CHANGE IN LOT SIZE:** No lot shall be changed in area, depth or width, either by the conveyance of land or otherwise, so that the lot coverage exceeds the maximum permitted by this By-law, or so that any existing or resulting lot area, lot width or yard will be less than the minimum permitted by the provisions of this By-law.
- 2.4 **CHANGE IN USE:** A use or occupation of land, building, structure, or excavation, or any activity in connection therewith which, under the provisions of this By-law, is not permissible within the Zone in which such land, building, or structure or excavation is located, shall not be changed except to a use or occupation which is permissible within such zone.
- 2.5 **PUBLIC ACQUISITION:** No person shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.
- 2.6 **BUILDING AND OTHER PERMITS:** No building permit or occupancy permit shall be issued where the proposed building, structure, excavation, use or activity would be in violation of any of the provisions of this By-law.
- 2.7 **VIOLATION AND PENALTIES:** Every person who contravenes this By-law is guilty of an offense, and on conviction is liable:
- on a first conviction, to a fine of not more than \$25,000; and,
  - on a subsequent conviction, to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.
- Where a corporation is convicted of a contravention of this By-law, the maximum penalty that may be imposed is:
- on a first conviction, a fine of not more than \$50,000; and,
  - on a subsequent conviction to a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.
- 2.8 **REMEDIES:** In the case where any lot, building, structure, or part thereof, is to be used, erected, altered, reconstructed, or extended, in contravention of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation, pursuant to the provisions of the Municipal Act, as amended.

- 2.9 **SEVERABILITY:** A decision of a court that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness or enforceability of the other provisions or parts of the provisions of this By-law.
- 2.10 **EFFECTIVE DATE:** This By-law shall come into force the day that it was passed, if no appeals are received. If an appeal(s) is received, this By-law, or portions thereof, shall come into force upon the approval of the Ontario Municipal Board and in accordance with the provisions of the Planning Act, as amended.
- 2.11 **REPEAL OF FORMER BY-LAWS:** The provisions of By-laws 85-7 (Stanhope) and 98-08 (Sherborne) and all amendments thereto are hereby repealed.

## Section 3 DEFINITIONS

- 3.1 **ACCESSORY BUILDING OR STRUCTURE:** A detached building or structure that is not used for human habitation, the use of which is customarily incidental and subordinate to a principal use, building or structure and located on the same lot.
- 3.2 **ACCESSORY USE:** A use customarily incidental, subordinate, and exclusively devoted to the principal use of the lot, building or structure and located on the same lot.
- 3.3 **ACCOMMODATION UNIT:** A room or group of rooms in a tourist or resort establishment designed to provide accommodation for the traveling or recreational public, including a room in a hotel, motel, resort or tourist establishment, a rental cottage or cabin, a recreational mobile home or a tent or trailer site.
- 3.4 **AIRPORT, MUNICIPAL:** Any land and associated buildings and structures, which is owned, operated or maintained by the Corporation of the Township of Algonquin Highlands for the landing and takeoff of aircraft, inclusive of facilities for the storage, maintenance and repair of aircraft, in accordance with the regulations of Transport Canada as may be amended from time to time.
- 3.5 **ALTER:** When used in reference to a building or part thereof, to change any one or more of the internal or external dimensions of such building, or to change the type of construction of the exterior walls or roof thereof.
- When used in reference to a lot, to decrease the width, depth or area of any required yard, setback, landscaped open space or parking area, or to change the location of any boundary of such lot with respect to a public highway or laneway, whether such alteration is made by conveyance of any portion of said lot, or otherwise. The words “altered” and “alteration” shall have corresponding meanings.
- 3.6 **ARENA:** A building, or part thereof, in which the principal facilities provided are for such recreational activities as curling, skating, hockey, lacrosse, broomball or other similar athletic activity, and may include dressing rooms, concession booths for the provision of food and refreshments to the general public, bleachers, plant equipment for the making of artificial ice and/or other incidental and subordinate facilities or public use.
- 3.7 **ASPHALT PLANT, PERMANENT:** A facility for the mixing of asphalt components, including hot mix asphalt, for transfer to a job site.
- 3.8 **ASPHALT PLANT, PORTABLE:** Equipment that is used to produce asphalt and which is capable of being readily drawn by a motor vehicle and which is not permanently affixed to the ground.
- 3.9 **ATTACHED:** A building, otherwise complete in itself, which depends for structural support or complete closure, upon a division wall or walls shared in common with an adjacent building or buildings.
- 3.10 **ATTIC:** That portion of a building situated wholly, or in part, within the roof and which is not a one-half storey.

- 3.11 **BASEMENT:** That portion of a building between two floor levels which is partly underground but which has at least one-half of its height, from finished floor to the underside of the floor joists of the next above storey, above the average finished grade level adjacent to the exterior walls of the building and in which the height from finished grade to the underside of the floor joists of the next above storey is less than 1.8 metres (6 feet).
- 3.12 **BASEMENT, WALKOUT:** That portion of a building which is partly underground, but which has more than fifty per cent (50%) of the finished floor area not greater than 0.6 metres (2 feet) below the finished grade level adjacent to the exterior walls of the building, and which has a door at or above the adjacent finished grade, for entrance and exit directly to the outside.
- 3.13 **BED AND BREAKFAST:** An owner occupied single detached dwelling in which no more than three (3) guest rooms are made available for temporary accommodation of the traveling or vacationing public; such an establishment may offer light meals to those persons temporarily residing at the establishment, but shall not include a restaurant or a tourist establishment.
- 3.14 **BOAT HOUSE:** A detached accessory building or structure located on or near the shoreline, designed or used for the berthing or sheltering of a boat and/or other water craft and marine equipment, and may include storage of accessory equipment incidental to the residential use permitted on the lot, but shall not include any areas intended for human habitation.
- 3.15 **BOAT PORT:** A roofed accessory building built or anchored near the shore for the purposes of berthing and sheltering of boats or other marine related equipment and is not enclosed by more than one wall.
- 3.16 **BUILDING:** A structure that has one or more floors and a roof, used for the shelter or enclosure of persons, animals or chattel, and includes any structure serving the same purpose such as a tent, awning or carport.
- 3.17 **BUILDING SUPPLY OUTLET:** A building or structure in which building, construction, and/or home improvement materials are offered or kept for sale at retail and may include the fabrication of certain materials and products related to home improvements.
- 3.18 **BULK STORAGE TANK:** A tank for the bulk storage of petroleum, gasoline, diesel, propane, oil, or other fuels or flammable liquid or fluid but does not include a container for flammable liquid or fluid legally and properly kept in a retail store or a tank for storage merely incidental to some other use on the premises where such tank is located.
- 3.19 **BUSINESS, PROFESSIONAL OR ADMINISTRATIVE OFFICE:** A building, or part thereof, in which one or more persons are employed in the management, direction or conduction of a business or where professionally qualified persons and their staff serve clients or patients who seek advice, consultation or treatment and may include the administrative offices of a non-profit or charitable organization.

- 3.20 **CAMPING ESTABLISHMENT:** A tourist establishment consisting of camping sites and comprising land used or maintained as grounds for the camping or temporary parking of trailers, motorized mobile homes, truck campers, campers or tents, but does not include parks or camping grounds maintained by any department of the Government of Ontario or Canada, or any Crown corporation, commission or board.
- 3.21 **CAMPING SITE:** That part of a camping establishment which is occupied on a temporary basis only, by a trailer, motorized home, truck camper, camper or tent, which shall have a minimum area of 75 square meters (800 square feet) and a minimum frontage on a private driveway of 6 metres (20 feet).
- 3.22 **CARPORT:** A portion of a dwelling which is a roofed enclosure designed for the storage or parking of a motor vehicle, with at least 40 per cent (40%) of the total perimeter open and unobstructed. For the purposes of this By-law, perimeter shall include the main wall of the building to which the carport is attached.
- 3.23 **CARTAGE OR TRANSPORT DEPOT:** A building, structure or place where trucks or tractor trailers are rented, leased, kept for hire, stored, or parked for remuneration, or, from which trucks or tractor trailers, stored or parked on the property, are dispatched for hire as common carriers.
- 3.24 **CELLAR:** That portion of a building between two floor levels which is partly or wholly underground and which has more than one-half of its height, from finished floor to the underside of the floor joists of the storey next above, below the average finished grade level adjacent the exterior walls of the building.
- 3.25 **CEMETERY:** Land that is set apart or used as a place for the interment of the dead or in which human bodies have been buried.
- 3.26 **COMMERCIAL SELF-STORAGE FACILITY:** Premises used for the temporary storage of household items and seasonal, recreational or commercial vehicles, boats and trailers in storage areas or lockers that are generally accessible by means of individual loading doors.
- 3.27 **COMMUNITY CENTRE:** Any land, building, structure, or part thereof, used for community activities, the control of which is vested in the Township or other Public Authority.
- 3.28 **CONSERVATION:** The preservation, protection and improvement of the natural environment through comprehensive management and maintenance.
- 3.29 **CONTRACTOR'S YARD:** An area of land where equipment and materials used by a general contractor are stored or where a contractor performs shop assembly work.

- 3.33 **DECK:** An unenclosed structure that is accessory to a residential use and used as an outdoor living area, with a foundation holding it erect, and, where attached to a building, with a floor which is above finished grade; a deck shall not include a landing nor a stair, and may be attached or detached from a building.
- 3.33A **DEVELOPMENT:** Consists of the creation of a new lot, a change in land use, or the construction of buildings and structures, requiring approval under the *Planning Act*.
- 3.34 **DOCK:** An accessory structure built at the shoreline or anchored over water at which watercraft are berthed or stored and which may provide a foundation for a boathouse or contain a non-permanent tent to provide shelter for such watercraft.
- 3.35 **DRY-CLEANING ESTABLISHMENT:** Premises used only for the purpose of collection, distribution, and processing of articles or goods of fabric to be subjected to the process of dry cleaning, dry dyeing, cleaning, and spotting and stain removing, and for the pressing of any such articles or goods.
- 3.36 **DWELLING:** A permanently affixed building occupied as the home, residence, or living quarters for one or more persons and, for the purposes of this By-law, may include a modular home as defined hereunder in this By-law but does not include a group home, trailer, a mobile home, motorized mobile home or truck camper.
- 3.37 **DWELLING, DUPLEX:** The whole of a dwelling that is divided horizontally or vertically into two separate dwelling units, held under the same ownership each of which has an independent entrance either directly from the outside or through a common vestibule.
- 3.38 **DWELLING, MODULAR:** A factory constructed sectional dwelling, manufactured in accordance with the applicable standards of the Canadian Standards Association (CSA) and the Ontario Building Code (OBC), which is transported and permanently affixed to a foundation with the necessary service connections, and, from which the steel carriage used for transportation is removed upon erection.
- 3.39 **DWELLING, MOBILE HOME:** Any dwelling unit that is designed to be mobile and which is constructed or manufactured to provide a permanent residence that is certified in accordance with CSA Standard Z240 or CSA Standard A277, but which does not include a travel trailer, recreational mobile home, tent trailer or trailer.
- 3.40 **DWELLING, SEASONAL:** A single detached dwelling used intermittently, throughout any season of the year, but not used continuously as a year round or permanent dwelling.
- 3.41 **DWELLING, SINGLE DETACHED:** A detached dwelling containing one dwelling unit.

- 3.42 **DWELLING UNIT:** A room or rooms in which a kitchen, living quarters and sanitary conveniences are provided for the exclusive use of the resident(s), with a private entrance from outside the building or from a common hallway or stairway.
- 3.43 **DWELLING UNIT AREA:** The habitable area contained within the inside walls of a dwelling unit, excluding any private garage, carport, porch, verandah, unfinished attic, cellar, basement, or sunroom (unless such sunroom is habitable in all seasons of the year), excluding public or common halls or areas, stairways and the thickness of outside walls.
- 3.44 **EAVE:** A roof overhang, free of enclosing walls, without supporting columns.
- 3.45 **EQUESTRIAN FACILITY:** An area of land where three or more horses are boarded or rented to others and/or where riding lessons may be given.
- 3.46 **EQUIPMENT SALES AND RENTAL, HEAVY:** Premises in which heavy machinery and equipment are offered or kept for sale, rent, lease or hire under agreement, for compensation.
- 3.47 **EQUIPMENT SALES AND RENTAL, LIGHT:** Premises in which light machinery and equipment such as air compressors and related tools and accessories, augers, automotive tools, cleaning equipment, concrete masonry equipment, electric tools and accessories, fastening devices such as staplers and tackers, floor and carpet tools, hoses, ladders, light-compacting equipment, moving equipment, painting and decorating equipment, pipe tools and accessories, plumbing tools and accessories, pumps, scaffolding, welding equipment and other similar tools and appurtenances are offered or kept for sale, rent, lease, or hire, under agreement, for compensation.
- 3.48 **ERECT:** Set up, build, construct, reconstruct or relocate, and, without limiting the generality of the work, also includes:
- any preliminary physical operation, such as excavating, filling or drainage;
  - altering any existing building or structure by an addition, enlargement, extension, relocation or other structural change;
  - any work for the doing of which a Building Permit is required under The Building Code Act and Regulations; and,
  - erect, erected, and erection shall have a corresponding meaning.
- 3.49 **ESTABLISHED BUILDING LINE:** The average setback from the street line of existing buildings when at least five (5) buildings have been erected on any one side of a continuous 200 metres (650 feet) of land with frontage on an improved public street.
- 3.50 **EXISTING:** In existence on the date of passing of this by-law.

- 3.51 **FARM:** Any farming or agricultural use and includes apiaries; aviaries; berry or bush crops; breeding, raising, or training of horses or cattle; greenhouses; lands devoted to the hatching, raising and marketing of chickens, turkeys, or other fowl or game birds, animals, fish or frogs; lands used for grazing, flower gardening, field crops; growing, raising, picking, treating and storing of vegetable or fruit produce grown on the lands or in greenhouses; mushroom farms; nurseries; orchards; riding stables; the raising of sheep, goats, or swine; tree crops; market gardening; wood lots; and such other uses or enterprises as are customarily carried on in the field of general agriculture. "Farm" shall include a single detached dwelling and such principal buildings as barns and silos, which are incidental to the operation of the farm.
- 3.52 **FARM PRODUCE OUTLET:** A use accessory to a farm that consists of the retail sale of agricultural products produced on the farm where such outlet is located.
- 3.53 **FLOOR AREA, GROSS:** The total floor area, as hereinafter defined, exclusive of any portion of the building or structure below finished grade which is used for heating, the storage of goods or personal effects, laundry facilities, recreational areas, the storage or parking of motor vehicles or quarters used by the caretaker, watchman or other supervisor of the building or structures; and, in the case of a dwelling house, exclusive of any private garage, carport, basement, walkout basement, cellar, porch, verandah or sunroom unless such sunroom is habitable during all seasons of the year.
- 3.54 **FLOOR AREA, GROUND:** The total ground floor area of a building measured to the outside walls, exclusive of any parking areas within the building and in the case of a dwelling house, any basement or cellar or any private garage, carport, porch, verandah or sunroom, unless such sunroom is habitable at all seasons of the year.
- 3.55 **FLOOR AREA, MANUFACTURING:** That portion of the gross floor area of an establishment that is used for manufacturing purposes but does not include areas for storage of finished products or offices.
- 3.56 **FLOOR AREA, TOTAL:** The aggregate of the horizontal areas of each floor, whether any such floor is above or below grade, measured between the exterior faces of the exterior walls of the building or structure at the level of each floor.
- 3.57 **GARAGE, PRIVATE:** A detached accessory building or portion of a dwelling which is fully enclosed and roofed, and is designed or used for the sheltering of a private motor vehicle and storage of household equipment incidental to the residential occupancy. For the purposes of this By-law, a private garage excludes a carport or other open shelter, but may include a sleeping cabin on the second storey.
- 3.58 **GARDEN NURSERY SALES AND SUPPLY ESTABLISHMENT:** Premises devoted to the growing or displaying of flowers, fruits, vegetables, plants, shrubs, trees or similar vegetation which is sold to the public at retail and shall also include the sale of such goods, products and equipment as are normally associated with gardening or landscaping.

- 3.59 **GAZEBO:** A freestanding, roofed, accessory structure which is not closed, except for screening or glass, and which is utilized for the purposes of relaxation.
- 3.60 **GOLF COURSE:** A public or private area operated for the purpose of playing golf, and includes a par 3 golf course and clubhouse facilities, but does not include driving ranges, miniature courses or similar uses.
- 3.61 **GOLF DRIVING RANGE:** An outdoor public or private facility used for the practice of golf by the driving of balls from fixed golf tees.
- 3.62 **GRADE, ESTABLISHED:** The average elevation of the natural and finished levels of the ground measured on any side of a building or structure.
- 3.63 **GREENHOUSE, COMMERCIAL:** Premises used for the growing of flowers, fruits, vegetables, plants, shrubs, trees and similar vegetation which are sold directly from such lot at wholesale or retail.
- 3.64 **GROUP HOME:** A dwelling unit in which not more than 10 persons, having physical, social or mental disabilities reside in an open custody situation, under the appropriate supervision of personnel who may also reside in the dwelling unit, and which operates in compliance with applicable Provincial legislation and municipal By-laws.
- 3.65 **GUEST:** A person, other than a border, who contracts for accommodation and includes all members of the person's party.
- 3.66 **GUEST ROOM:** A room or suite of rooms used or maintained for the accommodation of an individual or individuals to whom hospitality is extended for compensation.
- 3.67 **HABITABLE ROOM:** A room designed for living, sleeping, eating, or food preparation, and includes a den, library, sewing room, or enclosed sunroom.
- 3.68 **HEIGHT AND HEIGHT OF BUILDING:** The vertical distance, measured between the finished grade at the front of the building, and:
- in the case of a mansard roof, the deck roof line;
  - in the case of a flat roof, the highest point of the roof surface;
  - in the case of a gambrel, gable or hip roof, the average height between the eaves and ridge; and
  - in the case of an A-frame, 75% of the distance between the finished grade measured at the midpoint of the front and rear of the building and the ridge.

Accessory structures, such as chimneys, towers, steeples or televisions antennas, shall be disregarded in calculating the height of a building.

- 3.69 **HIGH WATER MARK:** The normal ordinary or regulated high water mark of any body of water, as indicated by the character of the vegetation or soil.
- 3.70 **HIGHWAY:** A highway within the meaning of The Municipal Act, R.S.O. 1980, c. 305, as amended and The Highway Traffic Act, R.S. O., 1980, c. 198, as amended.

- 3.71 **HOME INDUSTRY:** A small scale industrial use, such as a carpentry shop, a metal working shop, a welding shop or an electrical shop that provides services or wares to the community and which is an accessory use to a single detached dwelling. For the purposes of this By-law, the repairing of motor vehicles, mobile homes and trailers is not a home industry.
- 3.72 **HOME OCCUPATION:** An occupation conducted for gain that is carried on in accordance with the provisions of this By-law, as an accessory use to a single detached dwelling.
- 3.73 **HUNT CAMP:** A building or structure consisting of one or more rooms which are at least partially furnished and may include facilities for the preparation of food and overnight accommodation, on a temporary basis.
- 3.74 **INDUSTRIAL USE:** The use of land, building or structures for the manufacturing, processing, fabricating or assembly of raw materials or goods, warehousing or bulk storage of goods, and related accessory uses. Such use shall not require a water supply other than that available from within the limits of the lot upon which the use is located. Any use requiring a Permit to Take Water from a Provincial agency shall be permitted only through site specific zoning amendment.
- 3.75 **KENNEL, COMMERCIAL:** Premises where dogs and other domestic household pets are kept, bred or boarded on a commercial basis.
- 3.76 **LANDSCAPED OPEN SPACE:** The open unobstructed space from ground to sky at finished grade on a lot and which is suitable for the growth and maintenance of grass, flowers, bushes and other landscaping and includes any surfaced walk, patio or similar area but does not include any driveway or ramp, whether surfaced or not, nor any curb, retaining wall, parking area or any open space beneath or within any building or structure.
- 3.77 **LAGOON:** A shallow pond used in the process of treating waste.
- 3.78 **LAUNDROMAT, COIN-OPERATED:** Premises where the service of coin-operated laundry machines, using only water, detergents and additives are made available to the public for the purpose of laundry cleaning.
- 3.79 **LOADING SPACE:** An off-street space on the same lot as the building, or contiguous group of buildings, for the temporary parking of a commercial vehicle while loading or unloading of merchandise or materials, which abuts upon a street, lane, road, highway or other appropriate means of access.
- 3.80 **LOT:** A parcel or tract of land, described in a deed or other legal document, that is capable of being conveyed.
- 3.81 **LOT AREA:** The total horizontal areas within the boundaries of a lot, measured above the normal or maintained high water mark.

- 3.82 **LOT, CORNER:** A lot situated at the intersection of two streets, of which two adjacent sides that abut the intersecting streets contain an angle of not more than one hundred and thirty-five (135) degrees; where such adjacent sides are curved, the angle of intersection of the adjacent sides shall be deemed to be the angle formed by the intersection of the tangents to the street line drawn through the extremities of the interior lot lines, provided that in the latter case, the corner of the lot shall be deemed to be that point on the street line nearest to the point of intersection of the said tangents.
- 3.83 **LOT COVERAGE:** That percentage of the lot area covered by all buildings and shall not include that portion of such lot area that is occupied by a building or portion thereof that is completely below grade.
- 3.84 **LOT DEPTH:** The horizontal distance between the front and rear lot lines. If the front and rear lot lines are not parallel, "lot depth" shall mean the length of a straight line joining the middle of the front lot line with the middle of the rear lot line. When there is no rear lot line, "lot depth" shall mean the length of a straight line joining the middle of the front lot line with the apex of the triangle formed by the side lot lines.
- 3.85 **LOT FRONTAGE:** The horizontal straight-line distance determined as follows:
- a) Where the front lot line is the shoreline or abuts an original shore road allowance, the straight-line distance between the points where the side lot lines or their straight line projections intersect the shoreline;
  - b) Where there are no side lot lines, the greatest distance between any point on the front lot line and any point on the rear lot line;
  - c) Where there are two (2) front lot lines abutting the same street or shoreline, the longer of the two front lot lines shall be used to measure frontage; or
  - d) In all cases other than those above, the distance between the points where the side lot lines intersect with the front lot line.
- 3.86 **LOT, INTERIOR:** A lot other than a corner lot.
- 3.87 **LOT LINE:** Any boundary of a lot or the vertical projection thereof.
- 3.88 **LOT LINE, FRONT:**
- a) In the case of an interior lot, the line dividing the lot from the street or private right-of-way;
  - b) In the case of a corner lot, the shorter lot line abutting a street or private right-of-way shall be deemed the front lot line and the longer lot line abutting a street or private right-of-way shall be deemed a side lot line;
  - c) In the case where a lot fronts upon a watercourse or waterbody or onto a shore road allowance, the shoreline or lot line abutting the shore road allowance shall be deemed to be the front lot line; or

By-law  
08-21

- d) In the case of a through lot, the lot line where the principal access to the lot is provided shall be deemed to be the front lot line, with the exception of where the lot abuts the shoreline or a shore road allowance, in which case the shoreline or shore road allowance is the front lot line.
- 3.89 **LOT LINE, REAR:** The lot line farthest from and opposite to the front lot line.
- 3.90 **LOT LINE, SIDE:** A lot line, other than a rear lot line, that does not abut a public street.
- 3.91 **LOT, THROUGH:** A lot bounded on both the front and rear lot lines by streets.
- 3.92 **MARINA:** Premises inclusive of docking facilities, located on a navigable waterway, where boats, other watercraft and boating accessories, and recreational vehicles (excluding motorized mobile homes) are stored, serviced, repaired, or kept for sale or rental and where facilities for the sale of marine fuels and lubricants may be provided.
- 3.93 **MARINE SALES AND SERVICE ESTABLISHMENT:** A building or part of a building and associated lands where a dealer displays new and used boats and marine accessories for sale at retail or for rental, and where marine equipment is serviced or repaired and may include boat storage facilities.
- 3.94 **MEDICAL OR DENTAL CLINIC:** Premises where members of the medical profession, dentists, chiropractors, osteopaths, optometrists, physicians occupational therapists, either singularly or in union, provide diagnosis and treatment to the general public without overnight accommodation and may include such uses as reception areas, offices for consultation, x-ray and minor operating rooms, and/or a pharmaceutical dispensary providing that all such uses have access only from the interior of the building.

- 3.159 **WORKSHOP:** Premises where fabrication or manufacturing is performed by tradespersons requiring manual or mechanical skills and may include an upholsterer's shop, a carpenter's shop, a locksmith's shop, a gunsmith's shop, a tinsmith's shop, a machine and/or welder's shop, or other similar uses.
- 3.160 **WORKS YARD:** Any land, building or structure owned by the Township, the County of Haliburton, or the Province of Ontario used for the storage, maintenance or repair of equipment, machinery or motor vehicles used in connection with civic works and shall include a public works yard or works yard of a hydro company, a telephone company or similar public use specified in this By-law.
- 3.161 **YARD:** An open, uncovered space on a lot appurtenant to a principal building and unoccupied by buildings or structures except as specifically permitted in this By-law.
- 3.162 **YARD, FRONT:** A yard extending across the full width of the lot between the front lot line of the lot and the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.
- 3.163 **YARD, REAR:** A yard extending across the full width of the lot between the rear lot line of the lot and the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.
- 3.164 **YARD, REQUIRED:** The minimum yard required by the provisions of this By-law.
- 3.165 **YARD, SIDE:** A yard extending from the required front yard to the required rear yard and from the side lot line of the lot to the nearest part of any building or structure on the lot, the nearest outside storage use on the lot, or edge or rim of an excavation on the lot.

## Section 4 GENERAL PROVISIONS

Unless specifically exempted or regulated elsewhere in this By-law, the following regulations apply to all lands covered by this By-law.

### 4.1 **ACCESSORY BUILDINGS, STRUCTURES AND USES**

4.1.1 **Permitted Uses:** Where this By-law provides that a lot may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building, structure or use, but shall not include the following: any occupation for gain or profit conducted within or accessory to a dwelling unit or on such lot, except as is specifically permitted in accordance with this By-law; or, any building used for human habitation except as is specifically permitted in accordance with this By-law.

#### 4.1.2 **Relation to Street and Location on Lot**

- a) **Residential Zones:** An accessory building or structure which is not part of the principal building shall not be erected in any of the required yards or closer to the street line than the principal building on the lot, unless specifically provided for elsewhere in this By-law.
- b) **Non-Residential Zones:** No accessory building or structure shall be erected closer to the street line than the minimum required yard requirements of the respective Non-Residential Zone and shall not be erected closer to a side or rear lot line except as provided for elsewhere in this By-law. A gatehouse or information kiosk or other similar accessory structure shall be permitted within a required front or side yard provided such structure shall not be erected closer than 3 metres to the front or side lot line.

4.1.3 **Relation to Principal Building:** No accessory building or structure that is not part of the principal building shall be erected closer than 2.0 metres (6.5 feet) to the principal building, unless specifically provided for elsewhere in this By-law.

4.1.4 **Principal Building to be Erected First:** No accessory building or structure shall be erected on any lot until the principal building has been erected, with the exception of:

- a dock on a lot accessible only by water;
- temporary construction uses; or,
- a septic system.

- 4.1.5 **Building Height:** The height of any accessory building or structure shall not exceed 6.0 metres (20 feet). The following accessory structures may exceed the height requirements permitted within the Zone in which they are located: a church spire, a belfry, a flag pole, a chimney, a clock tower, a communication tower, a water tank, a windmill, a radio or television tower or antenna, an air conditioner duct, a grain elevator, a barn or silo, and, external equipment associated with internal building equipment.
- 4.1.6 **Coverage:** The total coverage of all accessory buildings and structures, except swimming pools, shall not exceed five percent (5%) of the lot area. Within an Industrial Zone, the total lot coverage of all accessory buildings or structures shall not exceed ten percent (10%) of the lot area.
- 4.1.7 **Shore Road Allowance:** No new freestanding building or structure, with the exception of a means of pedestrian access, a deck, a dock or a pumphouse, shall be erected on a shore road allowance that is owned by the Township or the Crown. Where a structure is erected on a shore road allowance that is owned by the Township or the Crown, such structure shall be deemed to be an accessory use to the principal use located on the adjacent patented lot.
- 4.1.8 **Accessory Structure Encroachments**
- a) **General:** Drop awnings, clothes poles, flag poles, garden trellises, retaining walls, fences, or signs which comply with the By-laws of the Township, are permitted in any required yard.
  - b) **Fire Escapes:** Unenclosed fire escapes, in which the stairs, steps and floor are latticed in such a manner that the proportion of voids to solids is not less than two to one and in which guards, consisting of hand rails and the structural members necessary for their support, may project into any required yard a maximum distance of 1.2 metres (4 feet).
  - c) **Ornamental Structures:** Sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures may project into any required yard a maximum distance of 0.6 metres (2 feet).
  - d) **Unenclosed Porches, Balconies, Steps or Patios:** Unenclosed porches, balconies, steps and patios, covered or uncovered, may project into any required yard a maximum distance of 6 metres (20 feet) from an existing building or structure but no closer than 2.0 metres (6.5 feet) to any lot line.
  - e) **Utility Sheds:** A utility shed may be erected adjacent to the principal structure within a required interior side or rear yard provided that such accessory structure is not located closer than 2.0 metres (6.5 feet) to the interior side or rear lot line.
- 4.1.9 **Garages:** Attached or detached private garages may be erected and used in any yard provided that it is no closer than 2.0 metres (6.5 feet) to any lot line.

By-law  
08-21

#### 4.1.10 Shoreline Structures

- a) **Identification:** Shoreline structures refer to buildings and structures erected at or near the shoreline in the required yard located between the shoreline and the dwelling. They include buildings and structures that are attached to the land that forms the bed of a navigable waterway.
- b) **Permitted Uses:** Shoreline structures include the following: boathouse, boat port, deck, dock, gazebo, pumphouse, utility shed, stairs and ramps.
- c) **Maximum Width of Shoreline Structures:** The maximum cumulative width of all shoreline structures shall not exceed 30% of the lot frontage to a maximum of 20 metres (65 feet) of the shoreline.
- d) **Pump House or Docking Facilities:** A pump house or docking facilities may be erected and used in the required yard of a lot abutting a waterway or shore road allowance provided it complies with the minimum required side yard of the respective Zones as measured from the side lot line or the projection of the side lot line perpendicular to the shoreline where it meets the shoreline.
- e) **Gazebo, Utility Shed and Outdoor Sauna:** A gazebo, utility shed or outdoor sauna may be erected and used in the required front yard of a lot abutting a shoreline provided it complies with the minimum required side yard of the respective Zone and does not have a total floor area greater than nine (9) square metres (100 square feet).
- f) **Boathouses, Boat Ports:** A boathouse or boat port may be erected on a lot abutting a shoreline provided that:
- it is set back a minimum of 6 metres (20 feet) from the interior side lot line or the projection of the interior side lot line perpendicular to the shoreline where it meets the shoreline;
  - the width of the boathouse or boat port, measured from the interior faces of the walls of the boathouse or the support beams of the boat port, does not exceed 5.5 metres (18 feet);
  - no human habitation and no kitchen or sanitary facilities exist;
  - the height of a boathouse or boat port shall not exceed 4.5 metres (15 feet) measures from the deck to the peak;
  - the roof pitch shall not exceed 6/12 pitch;
  - no boathouse shall have more than one storey; and,
  - no boathouse shall have more than one slip.

By-law  
08-21

In the former Township of Sherborne, McClintock, Livingstone, Lawrence & Nightingale the maximum projection into the water of a boathouse or boat port, including roof projection, shall not exceed 8 metres (26 feet) from the shoreline. In the former Township of Stanhope, a boathouse or boatport shall not be permitted to project in the water.

By-law  
08-21

4.1.11 **Sleeping Cabin:** One sleeping cabin may be erected and used on a lot within the Rural (RU) Zone, the Hamlet Residential (HR) Zone, the Rural Residential (RR) Zone, the Shoreline Residential Type One (SR1) Zone, or the Shoreline Residential Type Two (SR2) Zone, where such cabin is accessory to a permitted dwelling, provided:

- the total floor area of such cabin does not exceed 45 square metres (485 square feet);
- the height does not exceed 5 metres (16 feet); and,
- the cabin complies with the yard and setback requirements of the Zone in which it is located and is not located to the front of the principal dwelling.

4.1.12 **Swimming Pools:** An outdoor swimming pool is permitted as an accessory use within a side or rear yard provided it is not located closer than 3.0 metres (10 feet) to any lot line, and the coverage of the swimming pool does not exceed fifteen percent (15%) of the total lot area.

4.2 **ASPHALT PLANT, PERMANENT:** A permanent asphalt plant is prohibited in all zones. A permanent asphalt plant may be permitted in an M2 zone through site specific zoning amendment following a comprehensive analysis which demonstrates:

- The demand for the type and scope of development proposed in relation to the demographics of the Township;
- The long term impacts on municipal servicing;
- The long term impacts on the environment including the quality and quantity of surface water and ground water, impacts on significant environmental features and impacts on areas of significant cultural resources;
- The impact of the proposed development on surrounding existing and proposed developments.
- That the designated truck access routes will not be primarily through residential areas; and,
- That all operations shall adhere to applicable federal, provincial and local regulations, including but not limited to emissions and noise.

New asphalt plants will be placed under site plan control, and will only be permitted where the plant operations area (including offices, parking and storage areas) is at least 500 metres from any residential use, where the use will be totally enclosed by a security fence or within a fireproof building, and where adequate stormwater drainage can be provided.

4.3 **ASPHALT PLANT, PORTABLE:** Where specifically permitted in this By-law, a portable asphalt plant shall be used by or on behalf of a public authority.

4.4 **CONSTRUCTION USES (TEMPORARY):** A tool shed, construction trailer, scaffold, or any other structure incidental to construction, is permitted where construction work is in progress, and until the work is completed or abandoned. For the purposes of this section “abandoned” means the failure to proceed expeditiously with the construction work or the revocation of the building permit.

#### 4.5 DWELLING UNITS BELOW GRADE

4.5.1 **Cellar:** No dwelling unit shall, in its entirety, be located in a cellar. If any portion of a dwelling unit is located in a cellar, such portion of the dwelling unit shall be used as a furnace room, laundry room, storage room, recreation room or for a similar use only, but in no instance shall such room be used to provide sleeping accommodation.

4.5.2 **Basement or Walkout Basement:** A portion of a dwelling unit may be located in a basement or walkout basement, provided the finished floor level of such basement is not more than 1.2 metres (4 feet) below the adjacent finished grade and adequate egress to the exterior of the dwelling is provided.

4.6 **ESTABLISHED BUILDING LINE:** Where a permitted dwelling is to be erected on a lot and where there is an established building line extending on both sides of the lot, such permitted dwelling may be erected closer to the street line than required by this By-law such that the yard is equal to the average setback of adjacent dwellings on the same side of the street, and provided that such permitted dwelling is not erected closer to the street line than the established building line existing on the date of passing of this By-law.

#### 4.7 EXISTING BUILDINGS, STRUCTURES AND USES

4.7.1 **Continuation of Existing Uses:** The provisions of this By-law shall not apply to prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building, or structure was lawfully used for such purpose on the date of passing of this By-law so long as it continues to be used for that purpose.

4.7.2 **Permitted Interior Alteration:** The interior of any building or structure, lawfully used at the date of passing of this By-law may be reconstructed or structurally altered, in order to render the same more convenient or commodious for the same purpose for which such building or structure was lawfully used.

4.7.3 **Prohibited Exterior Extension:** The exterior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended, reconstructed, or otherwise structurally altered, unless such building or structure is to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone.

4.7.4 **Restoration to a Safe Condition:** Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used on the date of passing of this By-law, provided that the strengthening or restoration does not increase the building height, size or volume, or change the use of such building or structure, and provided that approval for a septic system may be obtained for the use, where applicable.

By-law  
08-21

4.7.5 **Permitted Non-Complying Building or Structure:** Nothing in this By-law shall prevent the reconstruction, relocation, renovation, enlargement or repair of an existing building or structure on a lot that does not comply with the setback and yard requirements of this By-law, which existed at the date of passing of this By-law, and which is used for a purpose specifically permitted within the Zone in which such building or structure is located, provided:

- i) there is not further encroachment into the required setback or yard;
- ii) any addition to the existing building or structure maintains the existing setback from the high water mark or 15 metres, whichever is greater;
- iii) if the reconstruction or relocation would result in an increase to the gross floor area of the building or structure, that the entire building or structure maintains the existing setback from the high water mark or 15 metres, whichever is greater;
- iv) approval for a sewage disposal system is obtained, where applicable; and,
- v) it is in compliance with all other provisions of this By-law.

4.7.6 **Floor Area Less Than Required:** Nothing in this By-law shall prevent an extension or an addition being made to a permitted dwelling, which dwelling existed at the time of passing of this By-law but which has a gross floor area or dwelling unit area less than required by this By-law, provided such extension or addition does not contravene any other provision of this By-law.

By-law  
08-21

4.7.7 **Reconstruction Of Damaged Buildings Or Structures:** Nothing in this By-law shall apply to prevent the reconstruction of any lawful non-complying building or structure, which is damaged by causes beyond the control of the owner, provided the height, size or volume of the building or structure is not increased.

#### 4.8 EXISTING LOTS

4.8.1 **Existing Undersized Lots:** Notwithstanding any other provision of this By-law to the contrary, where a lot having a lesser lot area and/or frontage than required herein is held under distinct and separate ownership from an abutting lot or lots as shown by a conveyance of title properly registered prior to the date of passing of this By-law or, where such a lot is created as a result of an expropriation, such lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other applicable zone provisions of this By-law are complied with.

4.8.2 **Enlargement of Existing Lots:** Where lands are added to an existing undersized lot, the resulting lot shall be deemed to comply with the minimum lot frontage and area requirements of this By-law, and may be used for a purpose permitted in the Zone in which such lot is located, provided it is in compliance with all other applicable provisions of this By-law. If applicable, any building located on such enlarged lot shall continue to be subject to the provisions of Section 4.8.1

#### 4.9 FRONTAGE REQUIREMENTS

4.9.1 **Public Street:** No person shall erect any building or structure, unless the lot upon which such building or structure is to be erected fronts upon and is directly accessible from an improved public street, maintained year round.

4.9.2 **Unassumed Road:** The provisions of this By-law shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a properly executed subdivision agreement has been entered into with the Township where the street or streets will not be assumed by the Township until such time as specified in the agreement.

#### 4.9.3 **Private Right-of-Way or Navigable Waterway:**

- a) Within the Shoreline Residential Type Two (SR2) Zone, where a lot is accessible by means of a Township road allowance, private right-of-way or crown road providing ingress and egress to a public street or road allowance, the provisions of this By-law shall not apply to prevent the erection, alteration or a use of a building or structure for a use permitted within the Shoreline Residential Type Two (SR2) Zone.
- b) Where a building or structure was lawfully used for a purpose permitted within the Zone in which it is located, as of the date of passing of this By-law, and where such building or structure is only accessible by means of a private right-of-way providing ingress and egress to a public street or road allowance, the provisions of this By-law shall not apply to prohibit the extension, enlargement, renovation or reconstruction of such structure.
- c) Within the Rural (RU) Zone where a lot existed as of the 27<sup>th</sup> of April 1981 and is accessible by means of only a private right-of-way or navigable waterway, the provisions of this By-law shall not apply to prohibit the erection, alteration or use of any building or structure for the purpose of a seasonal dwelling.
- d) Within the Shoreline Residential Type Two (SR2) Zone where a lot is accessible by means of a navigable waterway only, the provisions of this By-law shall not apply to prohibit the erection of a dwelling. For the purposes of this by-law, where a lot fronts upon a shore road or marine allowance, the lot shall be deemed to front upon and be accessible from a navigable waterway.
- e) Notwithstanding the provisions of this Section to the contrary, within the Rural (RU) Zone, the provisions of this By-law shall not apply to prohibit the erection, alteration or use of a hunt camp on Crown land.

4.10 **HEIGHT OF BUILDINGS:** Unless otherwise noted in a specific Zone, the maximum height for a building or structure shall not exceed ten (10) metres.

4.11 **HOME OCCUPATION:** The following regulations apply to regulate a home occupation where such a use is permitted:

- The home occupation shall clearly be secondary to the main residential use of the property and shall not change the residential character of the dwelling;

- Such home occupation shall not be a nuisance to, nor interfere with, television or radio reception of others in neighbouring buildings or structures;
- Such home occupation shall not include a medical clinic, a private hospital, a nursing home, a boarding house, an eating establishment or a veterinary clinic, but may include a business or professional office that complies with the provisions of this subsection;
- There shall be no display to indicate that any part of the property is being used for other than residential or agricultural uses except for an unlit sign of not more than 0.5 metres square (5 square feet), except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- The home occupation use shall be conducted entirely within the dwelling;
- Not more than 25% of the gross floor area of the dwelling shall be used for the purposes of home occupation use;
- Such use is conducted by a person or persons residing in the dwelling;
- There shall be no more than two (2) commercial vehicles parked at any one time on the property;
- There shall be no outside storage of goods or materials associated with the home occupation use; and,
- There shall be no goods, wares or merchandise offered for sale or rent from the dwelling which are not manufactured or processed on the lot.

4.12 **HOME INDUSTRY:** The following regulations apply to regulate a home industry where such a use is permitted:

- The home industry shall clearly be secondary to the main residential use of the property and shall not change the residential character of the dwelling;
- There shall be no emission of noise, odour or dust that is not normally attributable to the use of the land for other uses permitted in the Zone;
- Such home industry shall not be a nuisance to, nor interfere with, television or radio reception of others in neighbouring buildings or structures;
- There shall be no display to indicate that any part of the property is being used for other than residential or agricultural uses except for an unlit sign of not more than 0.8 metres square (9 square feet), except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- No home industry shall be located within 300 metres (985 feet) of any waterbody;
- The home industry shall meet the same yard provisions as required for the principal residential use for the Zone in which it is located, with the exception of the interior side yard, which shall be a minimum of 10 metres (33 feet);
- The use shall not occupy more than 25% of the gross floor area of a dwelling, or where located in an accessory building, shall not occupy more than 90 square metres (970 square feet);
- A maximum of two (2) employees who do not live in the dwelling may be employed on site in the home industry and additional employees may be employed off-site;
- There shall be no more than three (3) commercial vehicles parked at any one time on the property;
- Any permitted open storage shall be screened from view;
- A planting strip shall be provided on the lot in accordance with the provisions of this By-law; and,

- There shall be no goods, wares or merchandise offered for sale or rent from the dwelling which are not manufactured or processed on the lot.

4.13 **LOADING SPACE REGULATIONS:** Loading or unloading spaces are required under this By-law, in accordance with the Loading Space Requirement Table. The owner of every building or structure erected for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials shall provide and maintain on the lot, loading and unloading spaces. For the purposes of this By-law, each loading or unloading space shall be 9.0 metres (30 feet) in length, 4.0 metres (13 feet) in width and have a vertical clearance of 5.0 metres (16.4 feet). In addition, adequate space shall be provided for the parking of vehicles awaiting access to the loading or unloading spaces.

<b>LOADING SPACE REQUIREMENT TABLE</b>	
<b>Gross Floor Area of Building</b>	<b>Loading Spaces Required</b>
Less than 300 m <sup>2</sup> (3200 sq. ft.)	1 space
300 m <sup>2</sup> to 2800m <sup>2</sup> (3230-30,140 sq. ft.)	2 spaces
2800m <sup>2</sup> to 7500m <sup>2</sup> (30,140-80,730 sq. ft.)	3 spaces
More than 7500m <sup>2</sup> (80,730+ sq. ft.)	3 spaces + 1 additional space for each additional 9300m <sup>2</sup> (100,100 sq. ft.) or part thereof in excess of 7500m <sup>2</sup> (80,730 sq. ft.)

4.13.1 **Access:** Access to loading or unloading spaces shall be by means of a driveway at least 6 metres (20 feet) in width contained on the lot on which the spaces are located and leading to an improved public street.

4.13.2 **Loading Space Surface:** Driveways, loading and unloading spaces, and, related aisles and turning areas shall be maintained with a stable surface which is treated so as to prevent the raising of dust. Such loading and unloading facilities shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

4.13.3 **Location:** The loading space or spaces required hereunder shall be located in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres (50 feet).

4.13.4 **Additions to or Change in Use of Existing Buildings:** The loading space requirements shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed as such date, is not increased; if an addition is made to the building or structure which increases the gross floor area, or if the use is changed, then additional loading spaces shall be provided in accordance with the Loading Space Table Requirements for such addition or use.

- 4.14 **MULTIPLE USES ON ONE LOT:** Where any premises is used for more than one purpose, the applicable provisions of this By-law which serve to regulate each such use shall be complied with, provided that no dwelling, as may be permitted, shall be erected closer than 10 metres (32.8 feet) to any other structure on the lot, except for an accessory building or structure as may be permitted in accordance with this By-law.
- 4.15 **MULTIPLE ZONES ON ONE LOT:** Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of the said lot shall be used in accordance with the Zone Provisions of this By-law for the applicable Zones.
- 4.16 **NOXIOUS USES:** Except as may otherwise be specifically permitted under this By-law, no use shall be permitted which, from its nature or the materials used therein, is declared by the Council of the Township to be a noxious trade, business or manufacture.
- 4.17 **PARKING AREA REQUIREMENTS**
- 4.17.1 **Parking Space Requirements:** The owner of every building, structure, or lot used for any purpose shall provide and maintain for the sole use of the owner, occupant or other persons entering upon or making use of the premises, off-street parking spaces and areas in accordance with the Parking Space Requirement Table.

**4.17.2 Parking Area Surface:** Parking space areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

**4.17.3 Ingress and Egress Provisions:**

- a) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3.0 metres (10 feet) but not more than 9.0 metres (30 feet) in perpendicular width.

- b) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9.0 metres (30 feet).
- c) The minimum distance between any two driveways on a lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 9.0 metres (30 feet).
- d) The minimum angle of intersection between a driveway and a street line shall be 60 degrees. Every lot shall be limited to the following number of driveways:
  - i. Up to the first 15 metres (50 feet) of lot frontage, not more than one driveway; and,
  - ii. Greater than 15 metres (50 feet) of lot frontage, not more than two driveways with a combined width not exceeding thirty percent (30%) of the lot frontage.

**4.17.4 Ingress and Egress Regulations - Retail Gasoline Establishments:**

The following provisions shall apply to ingress and egress driveways established in conjunction with a motor vehicle dealership or motor vehicle service station, where gasoline is offered or kept for sale at retail: the maximum width of a driveway measured along the street line shall be 9 metres (30 feet); the minimum distance between driveways, measured along the street line intersected by such driveway shall be 9 metres (30 feet); the minimum distance between a driveway and an intersection of street lines, measured along the street line intersected by such driveway shall be 9 metres (30 feet); the minimum distance between an interior side lot line and any driveway shall be 3 metres (10 feet); and, the interior angle formed between the street line and the centerline of any driveway shall not be less than 45 degrees.

**4.17.5 More than One Use on a Lot:** Where a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

**4.17.6 Parking Area Location on a Lot:** Parking areas, inclusive of driveways, shall be permitted in the required yards in accordance with the following provisions:

- a) In all Zones, except Residential Zones, no driveway shall be permitted within 9.0 metres (30 feet) of the boundary of a Residential Zone;
- b) In all Zones, no parking space shall be permitted within 3.0 metres (10 feet) of the boundary of a Residential Zone;
- c) Within all Residential Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than 2 metres (6.5 feet) to any street line or within a sight triangle;
- d) Within the Rural, Open Space, Community Facility and all Commercial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than one metre (3 feet) to any street line or within a sight triangle;
- e) Within all Industrial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any

parking area, other than a driveway, is located closer than 2 metres (6.5 feet) to any street line or within a sight triangle.

- 4.17.7 **Additions to or Change in Use of Building(s):** The parking space requirements referred to herein shall not apply to any building or structure in existence at the date of passing of this By-law so long as the floor area, as it existed as such date, is not increased. If an addition is made to the building or structure that increases the floor area, then parking spaces for the addition shall be provided as required in the Parking Space Requirements Table. Where a change in use of the building or structure occurs, parking spaces shall be provided in accordance with the Parking Space Requirement Table.
- 4.17.8 **Use of Parking Space(s) and Area(s):** Parking spaces and areas shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operations incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted. Notwithstanding the foregoing, within any Residential Zone, the owner or occupant may use a parking space for the purposes of the parking or storage of one currently licensed commercial motor vehicle defined under The Highway Traffic Act, provided such motor vehicle does not exceed a rated capacity of one ton.
- 4.18 **PITS AND/OR QUARRIES:** The making or establishing of pits and/or quarries is prohibited except in accordance with the express provisions of this By-law. No person shall use land or erect any building or structure for the purpose of processing, washing, sorting, screening or crushing rock, sand or gravel in any locations, except as expressly provided for in this By-law.
- 4.19 **PLANTING STRIP REGULATIONS**
- 4.19.1 **Location:** Where the interior side or rear lot line, or portion thereof, in a Community Facility, Commercial or Industrial Zone abuts a Residential Zone, a planting strip shall be provided on the lot within the Community Facility, Commercial or Industrial Zone with a minimum width of 6 metres (20 feet).
- 4.19.2 **Contents:** Any required planting strip shall consist of a row of trees or a continuous hedgerow of evergreens or shrubs, not less than 2 metres (6.5 feet) high at planting, immediately adjacent to the lot line or portion thereof along which such planting strip is required hereunder. The remainder of the strip shall be used for no other purpose than the planting of shrubs, flower beds, grass or a combination thereof.
- 4.19.3 **Interruption for Driveways of Pedestrian Walks:** In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3 metres (10 feet) of the edge of such driveway or within 1.5 metres (5 feet) of the edge of such walk.
- 4.19.4 **Maintenance:** Where a planting strip is required, it shall be planted, nurtured and maintained by the owner(s) of the lot on which the strip is located.

4.19.5 **Landscaped Open Space Supplement:** A planting strip referred to in this subsection may form a part of any landscaped open space required by this By-law.

#### 4.20 **PUBLIC USES**

4.20.1 **Public Services:** The provisions of this By-law shall not apply to prohibit the use of any land, or the erection or use of any building or structure, for the purposes of public service provided by a Public Authority. For the purpose of this Section, a Public Authority shall include any hydro, natural gas, telephone, telegraph, or cable television company, which company possesses the necessary powers, rights, licenses, and franchises.

4.20.2 **Location Restrictions:** Where any Zone classification specifically authorizes a particular use of land within such Zone then such use of land shall not be carried on in any other Zone regardless of whether such use is carried on by a Public Authority.

4.20.3 **Provisions:** Where a use conducted by a Public Authority is not restricted to a specific Zone, no land, building or structure is to be used for public use unless the following provisions are complied with:

- a) Minimum yard requirement (all yards): 10 metres
- b) Maximum Lot coverage (all buildings): 40%
- c) Minimum Landscaped Open Space: 30 percent
- d) Maximum Height of Buildings: 10 metres
- e) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law
- f) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot.

4.20.4 **Streets and Installations:** Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, overhead or underground hydro, communication line or high voltage and extra high voltage electrical facilities owned, operated and maintained by a hydro company, provided the location of such main or line has been approved by the Township. Notwithstanding the generality of the foregoing, this approval shall not be required for any public use that has received prior approval pursuant to the provisions of The Environmental Assessment Act, as amended.

4.21 **REDUCTION OF REQUIREMENTS:** No person shall change the purpose for which any lot or building is used or erect any building, structure, or addition to any existing building or structure, or sever any lands from any existing lot, if the effect of such action is to cause the original, adjoining, remaining or new building or lot to be in contravention of this By-law.

By-law  
08-21

4.21A **SHORELINE BUFFER:** Within the front yard setback on a lot abutting a watercourse or waterbody or a shore road allowance, an area of land 20 metres in depth and running parallel to the high water mark save and except for 30% of the

frontage to a maximum of 20 metres (66 feet) shall contain a shoreline buffer. This provision applies to all lots on which development takes place within 23 metres (75 feet) of the high water mark after July 17, 2008.

- 4.22 **SIGHT TRIANGLES:** On a corner lot, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9.0 metres (30 feet) measured along the street line from the point of intersection of the street lines, no motor vehicle, as defined in the Highway Traffic Act, shall be parked, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected, and, no land shall be used for the purposes of growing shrubs or trees in excess of 0.6 metres (2 feet) in height. Such triangular space shall be referred to as a "sight triangle". Where the street lines do not intersect at a point, the point of intersection of the street line shall be deemed to be the intersection of the projection of the street lines of the intersection of the tangents to the street lines.
- 4.23 **SIGNS:** The provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such sign complies with the By-law of the Township regulating signs.
- 4.24 **SPECIAL SEPARATION REQUIREMENTS:**
- 4.24.1 **Minimum Distance Separation:** Notwithstanding any provision of this By-law to the contrary, no dwelling or dwelling unit shall be erected closer to any farm building or structure on adjacent lands held under distinct and separate ownership, than the minimum requirements set forth under the Ministry of the Environment's D Series Guidelines.
- 4.24.2 **Special Yard Requirements from M3 Zones:** Notwithstanding any provision of this By-law to the contrary, no building or structure shall be erected on any lot closer than 30 metres to any boundary of an M3 Zone.
- 4.25 Deleted
- 4.26 **SPECIAL PROVISIONS FOR THROUGH LOTS:** Where a lot, which is not a corner lot, has lot frontage on more than one street or is bounded on more than one side by a street, private right-of-way, watercourse or waterbody, the front yard requirements shall apply on each street or adjacent private right-of-way or watercourse or waterbody, as the case may be, in accordance with the provisions of the Zone(s) in which such lot is located.
- 4.27 **TRAILER OR MOBILE HOME PARKS:** The establishment of trailer parks or mobile home parks shall be prohibited in any Zone, save and except where such parks are specifically permitted by this By-law. The use of any trailer or recreational mobile home for human habitation is prohibited except where such trailer or recreational mobile home is located in a camping establishment, or in a trailer park.
- 4.28 **TRUCK, BUS, COACH BODIES AND DERELICT VEHICLES:** No truck, bus, coach, trailer or streetcar body, or structure of any kind, other than a dwelling unit erected and used in accordance with this By-law, The Building Code and Regulations passed thereunder and all other By-laws of the Township, shall be used for human habitation or storage of goods and materials whether or not the

By-law

same is mounted on wheels. The provisions of this By-law shall not apply to prohibit the outside storage of a maximum of two derelict motor vehicles within the Rural (RU) Zone nor the outside storage of contractors equipment, whether currently licensed or inoperative, provided the applicable provisions regarding outside storage are complied with and further that such use is accessory to the principal permitted use on the lot.

4.29 **SPECIAL PROVISIONS – CROWN LANDS:** Within the Rural (RU) Zone, where lands are held under the tenure of the Crown, the provisions of this By-law shall not apply to Crown Land uses or uses of Crown lands as may be authorized by the Crown.

4.30 **WAYSIDE PITS AND QUARRIES:** Where specifically permitted in the By-law, a portable asphalt plant shall be subject to the following provisions: the wayside pit or quarry shall be used by or on behalf of a Public Authority; the wayside pit or quarry shall have a Certificate of Approval from the Ministry of Environment and Energy or its designate; the wayside pit or quarry shall not be located closer than 300 metres (985 feet) from an existing residence; and, upon completion of the public project, the site shall be rehabilitated to its former use.

## Section 5 **ZONE PROVISIONS**

### 5.1 **CLASSIFICATION**

The provisions of this By-law apply to all lands within the limits of the Township, which lands, for the purpose of this By-law are divided into various Zones as follows:

EP: ENVIRONMENTAL PROTECTION  
OS: OPEN SPACE  
RU: RURAL  
HR: HAMLET RESIDENTIAL  
RR: RURAL RESIDENTIAL  
SR1: SHORELINE RESIDENTIAL TYPE ONE  
SR2: SHORELINE RESIDENTIAL TYPE TWO  
CF: COMMUNITY FACILITY  
C1: HIGHWAY COMMERCIAL  
C2: GENERAL COMMERCIAL  
C3: RECREATIONAL COMMERCIAL  
C4: COMMERCIAL/INDUSTRIAL  
M1: GENERAL INDUSTRIAL  
M2: EXTRACTIVE INDUSTRIAL  
M3: WASTE DISPOSAL INDUSTRIAL

NOTE: Although the lot regulations are the same for both of the SR1 and SR2 Zones, only seasonal development is permitted in the SR2 Zone, which retains access via a private right-of-way or navigable waterway. This does not imply any responsibility on behalf of the Township for the provision of services to lots zoned SR2 or to Hunt Camps permitted in the Rural (RU) Zone.

### 5.2 **ZONE PROVISIONS**

No person shall, within any of the Zones, use any land or erect or use any building or structure, except in accordance with the uses permitted (Tables 1A and 1B - Permitted Uses) and the provisions (Table 2 - Lot Regulations) of this By-law.

### 5.3 EXCEPTIONS TO ZONES

#### 5.3.1 ENVIRONMENTAL PROTECTION ZONE (EP)

##### 5.3.1.1 Environmental Protection Exception One (EP-1) Zone Part of Lot 14, Concession 12, Sherborne (formerly EP-1, Sherborne)

Within the Environmental Protection Exception One (EP-1) Zone, the permitted uses shall be limited to the following:

- Flood, erosion or siltation control works;
- Private boat houses with the approval of the Ministry of Natural Resources and the Township;
- Private docking facilities with the approval of the Ministry of Natural Resources; and,
- In addition, these lands are to be owned in common by the five landowners adjacent to the northern boundary of the EP-1 Zone.

##### 5.3.1.2 Environmental Protection Exception 2 (EP-2) Zone Part of Lot 32, Concession 4, Stanhope, Schedule "16" (By-Law 06-07)

Within the Environmental Protection Exception 2 (EP-2) Zone, the following provisions shall apply:

- A Single Detached Dwelling is permitted;
- Private docking facilities with the approval of the Ministry of Natural Resources and the Township;
- The Lot Regulations for a Residential Use within the Shoreline Residential Type One (SR1) Zone as set out in Table 2 shall apply to the development of a single detached dwelling; and,
- In all other respects, the provisions of the Environmental Protection (EP) Zone shall apply.

#### 5.3.2 OPEN SPACE ZONE (OS)

##### 5.3.2.1 Open Space Exception One (OS-1) Zone Part of Lots 23 and 24, Concession 13, Sherborne (formerly RE-1, Sherborne)

Within the Open Space One (OS-1) Zone, the non-residential uses permitted shall be restricted to that of a summer camp inclusive of cabins and facilities for the preparation and serving of meals. In all other respects the provisions of the Open Space Zone shall apply.

5.3.2.2 Open Space Exception Two (OS-2) Zone  
Part of Lots 7 and 8, Concession 3, Stanhope  
(formerly OS-2, Stanhope)

The lands described as Part of Lots 7 and 8, Concession 3, Stanhope Township, shall be subject to the following provisions:

- That no structure (including a dock) shall be permitted on this land;
- That the permitted uses shall be limited to conservation, reforestation or other similar use as provides for the preservation of the natural environment;
- That for the purposes of this by-law, both Part 1 of Plan 19R-5090 and Part 1 of Plan 19R-6652 are deemed to be one lot; and,
- All other requirements, applicable to the Open Space (OS) Zone, continue to apply.

5.3.2.3 Open Space Exception Three (OS-3) Zone  
Part of Lots 10 and 11, Concession 10, Sherborne  
(formerly RE-2, Sherborne)

Within the Open Space Exception Three (OS-3) Zone, the uses permitted shall be restricted to that of a summer camp inclusive of a medical clinic and ancillary seasonal residential dwelling for accommodation of persons and their families while in attendance at the camp. In all other respects the provisions of the Open Space (OS) Zone shall apply.

5.3.3 **RURAL ZONE (RU)**

5.3.3.1 Rural Exception One (RU-1) Zone  
Part of Lot 24, Concession 5, Stanhope  
(formerly RU-1, Stanhope)

Notwithstanding any other provision of this By-law to the contrary, within the Rural Exception One (RU-1) Zone, the uses permitted shall be restricted to those existing as of the date of passing of this By-law.

5.3.3.2 Rural Exception Two (RU-2) Zone  
Part of Lot 2, Concession 3, Stanhope  
(formerly RU-6, Stanhope)

Notwithstanding the provisions in this By-law, within the Rural Exception Two (RU-2) Zone, all buildings and structures, operational and reserve tile beds for a sanitary sewer system, laneways and parking areas shall be set back 30 meters from the high water mark. Such restrictions shall not apply to the location of a dwelling unit only on that part of the subject lands identified, nor to marine related accessory buildings or structures as otherwise permitted in the By-law. In all other respects, the provisions of the Rural (RU) Zone shall apply.
